

Professional office insurance

Commercial office

Protect your business

Our office insurance facility has been created with one vital consideration in mind; it must be robust enough to accommodate a modern day professional's working environment and flexible enough to cover individual circumstances.

In understanding the specific risks that professional firms face Bluefin has negotiated an exclusive office insurance solution with Hiscox Insurance Company Ltd, one of Europe's leading specialist insurers.

As standard our enhanced office insurance solution provides the following:

- More than 25% of all claims are settled within 24 hours
- Full Accidental Damage cover given as standard
- Full theft cover
Cover without the need for Forcible or Violent entry or exit from your premises
- Automatic Reinstatement
The amount insured applies to each and every claim and is automatically re-instated following a claim
- Fidelity Guarantee
Automatic cover for Employee Dishonesty up to £50,000

- Computer Breakdown
Engineering breakdown cover provided as standard up to the sum insured
- Legal Expenses
- Internet & Email
£250,000 cyber liability cover automatically added to policy. (Provides protection for claims following malicious attacks from hackers to your website / extranet).
- Difference in conditions clause
In the event of claim, if our policy does not cover something that would have been covered by your previous policy we guarantee to cover it
- Contents of any home office of your partners / directors / employees automatically covered up to £25,000
- Employees / Visitors personal effects covered up to £5,000
- Full cover for contents temporarily removed from the premises and transit cover. (Conditions apply if vehicles are left unattended)
- Interest free instalment facility with continuous cover
